You'll have the opportunity to explore Tampa's sights and local flavor on Saturday evening. A shuttle will loop between the Quorum Hotel and Downtown Tampa at intervals throughout the evening. Please help us determine our shuttle size and looping frequency by reserving a seat. We recognize you may have family or friends with you who aren't part of the conference, and we invite you to reserve space for them, too. If you do not anticipate using the shuttle, please insert a zero in the space provided.
